

Transport Guide

2026 / 2027

FARLEIGH

Welcome

Thank you for taking the time to look at the Farleigh School Minibus Services for the 2026 / 2027 academic year.

Farleigh School is partnered with Vectare, a specialist school transport management company, to provide our transport services.

All bookings for the school minibuses routes are made via our online booking system, which can be viewed at farleighschool.vectare.co.uk.

As you will see from the map on page 5, we have added a number of potential new routes and stops. These (and any other helpful additions to the service) will be considered by the school where there is sufficient interest from families to run those routes.

The website also incorporates an interactive journey planner which allows you to enter your postcode and find your nearest stop. This guide provides an overview of the school minibus service network and contains further details including timetable information.

All bookings for all routes can be made via the dedicated transport website. The website allows you to book travel 24/7 from anywhere.

All bookings can be made via the dedicated transport website, which is accessible 24/7. Amendments and changes can also be made through the [‘My Account’](#) section.

If you require further assistance or would like to discuss travel options from areas not currently served, please contact us via [‘Contact Us’](#) form on the booking website.

Terms & Conditions

1. This agreement is made between all children who travel on the School Minibus Service, their parents and Farleigh School in order to provide safe, pre-arranged journeys to and from school.
2. Arrangements for pupils' journeys to and from School are the responsibility of their parents. To assist with discharging this responsibility, Farleigh School provides a School Minibus Service courtesy of Vectare.
3. Transport on the School Minibus Service must be arranged in advance and will be billed in arrears on the following term's bill.
4. Bookings on the School Minibus Service are non-refundable in the event of a pupil failing to travel or a booking is cancelled less than 24 hours prior to the reserved time, unless circumstances beyond their control are to blame.
5. Bookings are to be made via the online booking system at: farleighschool.vectare.co.uk Links can also be found on the school website or 'My School Portal'.
6. Each pupil, for whom an online booking has been made, will be added to a passenger manifest detailing the service they travel on and their bus stop. This is used by the minibus driver.
7. No pupil is permitted to travel on the School Minibus Service if they are not pre-booked. Arrangements for journeys to and from School should be made by the pupil's parents and not the school.
8. Pupils, who do have to be booked onto the School Minibus Service by the school because no prior booking has been made by themselves or their parents, will be charged an additional £5, which will be added to the standard journey fare for each journey. This charge will appear on the end of term's bill.
9. All sibling discounts will apply all sibling discounts after a booking is made. This will not be reflected in the price shown on the Vectare system but rather on the invoice sent by the School.
10. Pupils must travel to and from Farleigh School in full School Uniform or in full School Games Kit, unless prescribed otherwise by the school.
11. Parents must arrive promptly with their children at the minibus collection points, ideally 5 minutes prior to the stated pick-up time on the minibus transport service, thus allowing for traffic conditions and other miscellaneous delays.
12. The starting assumption for all pupils is that they must be met off the minibus by an adult:
 - a. Parents must arrive promptly to collect their children at their respective minibus collection points in the evenings, so as not to cause drivers returning late to school and incurring overtime.
 - b. If an adult is not present to meet the pupil at the drop off point, the driver will wait no more than 5 minutes before continuing on the journey to avoid inconveniencing other pupils and their parents. If the parent is contacted by school and will now be present, then the driver may return from the final drop off location via the normal drop off if this is possible within drivers' hours. If this is not possible and/or the parent has not been contacted, the pupil will be brought back to school and handed over to the Boarding Staff and Overnight Matron who will assume responsibility for the child, arranging an evening meal and accommodation if required.
 - c. For pupils in Years 7 and 8, they do not need to be met by an adult, if the parents have confirmed that they are content via an annual online consent form. For pupils in Year 6 and below, they must be met in the evening by an adult, unless the parents have confirmed that they are content via an annual online consent form that they are happy for their child to be met by an older sibling (Year 7 or above).
13. For transport collection service in the morning, the driver will ensure children embark the minibus safely and put on their seat belts once seated. Parents are asked to stay off the minibus, so drivers can go about their tasks.
14. When boarding the minibus to go home in the evenings, pupils should get on the bus sensibly and once seated, remain seated. Children should not be getting on & off the minibus prior to departure.
15. During transit, pupils must remain seated at all times, with seat belts correctly fastened.
16. Excessive noise, inappropriate behaviour or any other acts deemed distracting to the driver, will not be tolerated.
17. Cameras are installed on some minibuses for the safety of all passengers but can also be used to follow up a report of poor behaviour.
18. Food and drink must not to be consumed on the minibus during these trips.
19. The minibus windows and doors must not be opened without the driver's consent.
20. Pupils must ensure they do not leave behind any rubbish or personal belongings when disembarking the minibus.
21. At all times, pupils must listen and adhere to the driver's instructions during the trip, especially before disembarking the minibus.
22. Parents will be informed of any instances of significantly poor conduct on the minibuses. Failure to comply with the conditions set out above may result in disciplinary action, including temporary or permanent withdrawal of permission to use the School Minibus Service.
23. Farleigh School aims for 95% of journeys to operate within the industry window of tolerance of one minute early to five minutes late. However, timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time at any pick-up point.
