Pre-Prep Activities - Summer Term 2023

BUDDY CLUB - This is a chance for Pre-Prep children to make friends with Year 5 buddies and to take part in a variety of activities, whilst strengthening friendships. For Reception, Years 1 & 2.

CIRCUS SKILLS - This is a chance for Pre-Prep children to make friends with Year 5 buddies and learn new circus skills. For Reception, Years 1 & 2.

CLASSICAL BALLET: Open to boys and girls, this is a structured dance class introducing and developing a strong use of poise, movement and 'turn out'. Miss Louise, who teaches dance through Pre-Prep on Fridays, leads this club. The music tends to be more classical-piano led, but many ballet tracks are taken from popular and modern/current music. Miss Louise will be working to the British Arts syllabus and hopes that regular and committed participants will be able to take examinations at a time when they are ready, in Pre-Prep or continuing through the Prep school. For Reception, Years 1 & 2.

CONSTRUCTION - Lots of fun with different construction kits! For Reception.

COOKERY: The children cook a variety of foods suitable for their abilities; a mixture of sweet and savoury. They generally cook on their own but occasionally in pairs. They get to make everything themselves with only some help, and really enjoy seeing and eating their produce. They also very willingly help wash up and tidy the kitchen. For Year 2.

DESIGN TECHNOLOGY - The Pre-Prep DT club provides our pupils with some hands-on learning via practical activities. Past examples include making wooden boats, K-Nex bridges and Stop Motion Animations. For Years 1 & 2.

FOOTBALL - Sessions include a variety of games and activities, all involving the development of skills that can be applied to play football. For Years 1 & 2.

GOLF - Tim Baker, the Club Professional, gives us a lesson on how to play safely and hit the ball using a variety of clubs. Each session finishes with a mini competition. Children may bring their own clubs in for the activity. For Reception, Years 1 & 2.

RHYTHMIC GYMNASTICS AND CHEERLEADING -

Rhythmic gymnastic activities promote coordination, flexibility, agility, muscular strength and dexterity, all of which are fundamental in our children's development. Our club will focus on using the five basic gymnastic shapes in a variety of ways, including rolling, jumping and travelling whilst using a variety of apparatus: hoops, balls, clubs, ribbons.

Cheerleading is a team activity which combines elements of dance and gymnastics to music and involves moving in different shapes and formations, as a group, to music. Pom poms are definitely involved, of course! For Reception, Years 1 & 2.

SCIENCE CLUB - This will be a fun club exploring all different types of Science with plenty of practical, hands on fun. For Years 1 & 2.

SUMMER SPORTS SKILLS -

Cricket skills will focus on developing accurate throwing/bowling as well as striking and fielding skills. This will be delivered through a series of fun games where all children are involved and participating at all times. Over the course of the term games of qwik and continuous cricket will also be introduced, where the skills learnt can be put into practice.

Rounders skills will focus on developing sending and receiving skills using both tennis and rounders balls, in a series of fun games. Fielding techniques will be introduced, alongside striking, using a variety of different rounders bats to ensure success with striking. The basic rules of a rounders game will also be introduced over the course of the term. For Reception, Years 1 & 2.

TAG RUGBY - The children learn the basic skills of rugby: throwing, catching, passing and working as a team. All our coaches are qualified trainers and we tailor our sessions and activities to suit the needs of the different age groups. For Reception, Years 1 & 2.

TENNIS - Tennis for Years 1 and 2 follows the LTA Mini Tennis scheme. We introduce the core skills required for playing tennis with regard to footwork and coordination, as well as teaching forehands, backhands, volleying and serving. The children have fun playing a variety of games whilst learning skills. For Years 1 & 2.

TYPING CLUB - An opportunity for the children to start to learn basic typing skills with fun typing activities and an introduction to touch typing. For Years 1 & 2.

YOGA BUGS - Fun, playful classes learning yoga through an inter-active story format. Each week, there is a different theme such as jungle animals, a visit to the ocean or journey into space. The boys and girls help to tell the story and practise the poses as they go along. The sessions finish with relaxation. Yoga works on the body and mind. It helps children become attentive and centred as well as improving coordination, strength, flexibility and posture. Boys and girls are welcome. For Reception, Years 1 & 2.
